Pasture optimisation

Custom blends

Pasture improvement, yes it's big but it sure is worth it!

PROGARDES® BLENDS

Looking to get Progardes®, Australia's #1 Desmanthus, into your pasture mix? We can do that! We can design a legume based pasture seed mix that will help improve your pasture productivity and profitability.

Local experts with local knowledge

We have seed specialists in Tamworth, Lismore, Toowoomba, Emerald and Mareeba.
